Centrebet is an Australian online bookmaker

Centrebet is an Australian online bookmaker, operating since 1992 under a license from Australia. The current owner of this bookmaker is the British giant William Hill. The bookmaker stands out with relatively high odds and a wide list of events. The site has a single language version-English. Today, only bettors from Australia and New Zealand can play in this office.

Official website Centrebet <https://www.onlinebettingaustralia.com.au/bookmaker/centrebet/>

The resource of Centrebet (BetEasy) is made in original lilac tones with turquoise and orange inclusions. The navigation is convenient, the interface is simple and intuitive even for those who do not know English. In the upper menu, the jumps that are emphasized are brought to the fore. Only the second item is sports, followed by Live, multi-express and promotions.

The bookmaker offers a wide bonus program with the issuance of bonus points for horse racing, as well as cashbacks. Many promotions are dedicated to horse racing. As a welcome bonus, there is a registration gift in the amount of \$ 50, which is issued with bonus points for betting on horse racing. To receive the bonus, you must register with this office.
