Wetland workshop

Posted by Dane Pickering - 07 May 2011 23:48

Wyong Shire Council, through Caring for Our Country, is inviting residents, landholders and the business community to come and discover fascinating facts about Wyong's wetlands and its wonderful creatures.

Come and walk the talk with experts including Alan Morris from Central Coast Birding Group, renowned migratory bird expert Ricki Coughlan, the Central Coast Environmental Network, Newcastle University and National Parks and Wildlife Rangers.

Available Dates:

Saturday 14th May

Saturday 21st May
